ABOUT US

Harbin Lumber Company presently serves contractors in residential, commercial, multi-family, agriculture, and remodel construction throughout GA, NC and SC. We presently have full service lumber yards located in Lavonia, Eatonton, and Athens, GA as well as North Augusta and Clinton, SC. Our In-house Door Shop, Installed Services and Truss Plant are located in Lavonia.

We pride ourselves on being progressive and have followed this strategic plan throughout our long history. We place the highest importance on personal and professional integrity, maintaining exceptional quality and service, and treating our customers and employees as partners.
